Security and environment

We continuously work to make our paths better and safer but walk carefully, you are always responsible for your own safety.

No litter of any kind should be left on the ground, this includes cigarette butts which *must* be brought back from your round both due to the risk of fire but also because of its negative impact on our environment.

Ground under repair

If areas are marked with blue sticks this indicated *ground under repair*.

If your disc lands in this area, throw your following throw (without penalty) from the nearest point outside the area, even if this is closer to the basket.

Legend

Par 4

Hole par

185 m

Hole length in meters

0 m

Elevation in meters

 Elevation curve showing the hole topology, in this example the hole is uphill.

Tee pad

Basket (color depends on which course it is)

Suggested throw line

Distance to sweet spot

White sticks mark OB. Other things can mark OB as well, in these cases, this is noted on the hole map.

If a disc crosses OB and is lost OB happens before “lost disc”, therefore the OB rules apply.

Fairway

Rough

Water, always OB

Temporary water

Mandatory, disc must pass where the arrow points

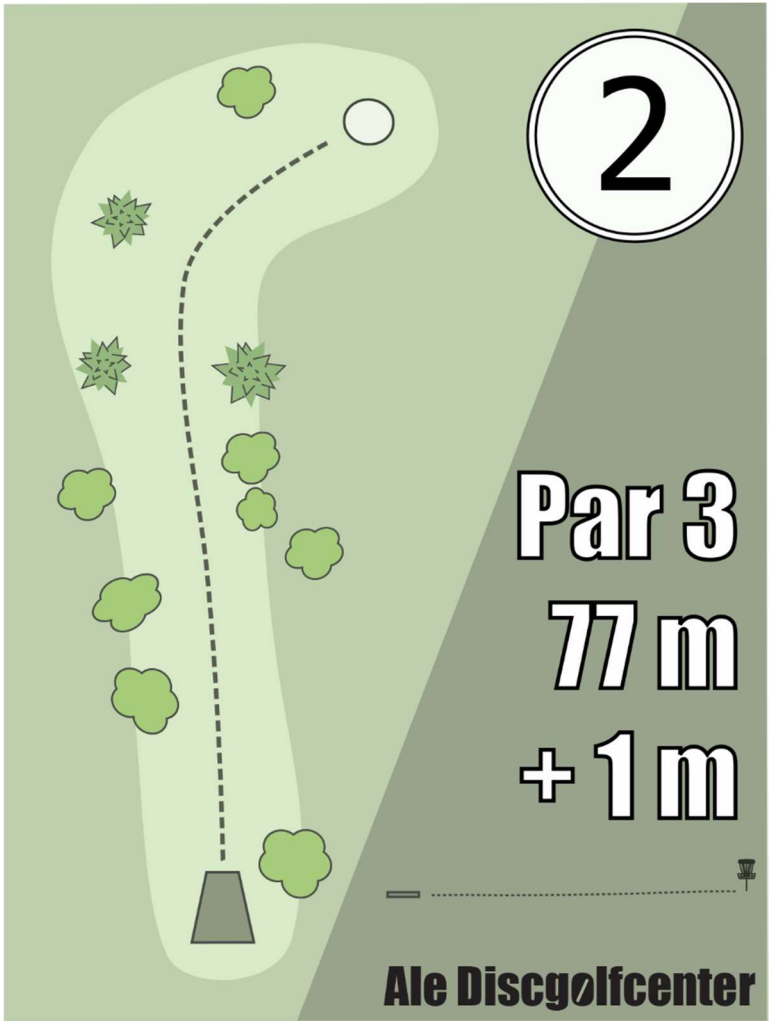

Drop-zone (DZ)

420 ft long, +10 ft uphill

568 ft, +33 ft

If tee-shot lands OB, use DZ,
use provisional disc from DZ if you're unsure.

535 ft, -26 ft

If tee-shot misses 1st mando, retee. If tee-shot 656 ft, -13 ft
lands OB, use 1st DZ. If 2nd mando is missed, use DZ next to mando

14

302 ft, +3 ft

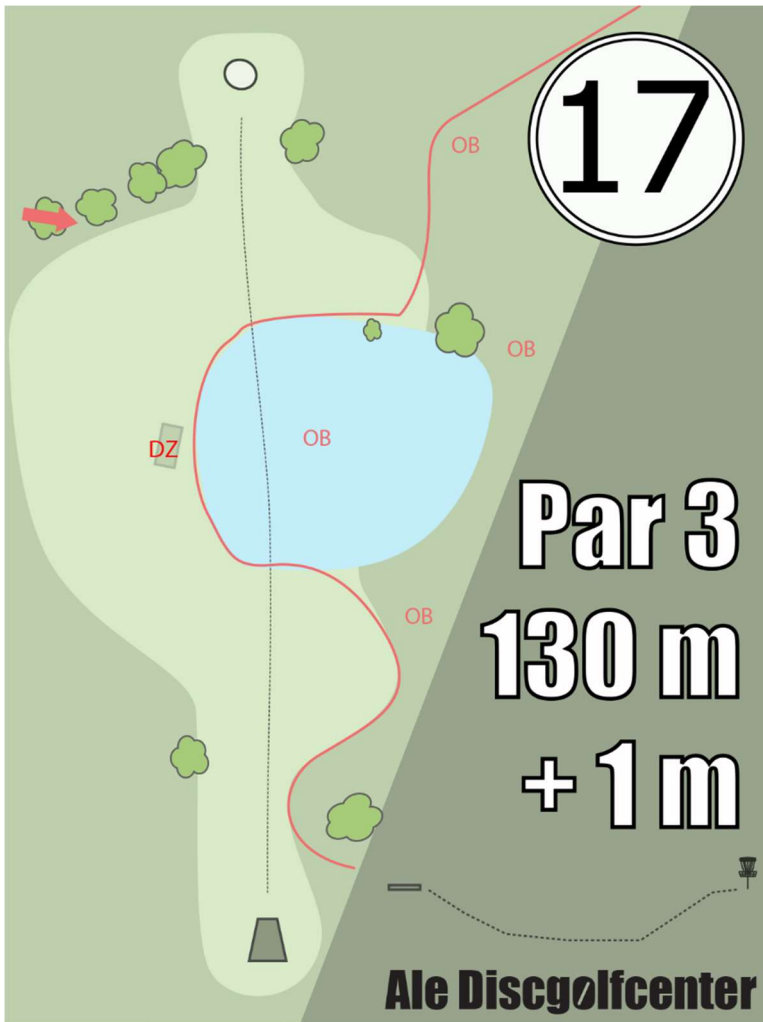

Use DZ if tee-shot is OB.

328 ft, -33 ft

951 ft, +26 feet

Use DZ if tee-shot is OB or if any shot misses the mandatory.

427 ft, +3 ft

If tee-shot lands OB, use 1 DZ.
